“Enacting Transdisciplinary Knowledge: People, Places, Movements and Sustainabilities”

First provisional GENERAL TIMETABLE

TUESDAY 2TH JULY				
Plenary Session 1: “Tracing the Historical Trajectory of People-Environment Studies from the XIX Century to the Present” <i>by Hartmunt Günther, Psychologist. University of Brasilia (18:00h)</i>				
	9:00-10:30	11:00-12:30		18:00-21:00
Location	EARLEY RESEARCH WORKSHOP/ PARALLEL PAPER SESSIONS	EARLEY RESEARCH WORKSHOP/ PARALLEL PAPER SESSIONS		OPENING CEREMONY UB-Historic Building
Room 1	1.2. Resource crisis and environmental research	1.1. Sustainable lifestyles and green economy		<p>Welcome address (UB): <i>Dr. Joan Guàrdia-Olmos, Rector of University of Barcelona (UB)</i></p> <p>Conference Presentation: <i>Enric Pol & Angela Castrechini, 28th IAPS Conference Organizing Committee</i></p> <p>Welcome address (IAPS): <i>Adina Dimitru – IAPS President. International Association of People-Environment Studies</i></p> <p>Plenary Session 1: Inaugural keynote: “Tracing the Historical Trajectory of People-Environment Studies from the XIX Century to the Present” <i>by Hartmunt Günther, University of Brasilia</i></p> <p>Closing the session: <i>MH Sr. David Mascort Subiranas, Minister of Climate Action, Food and Rural Agenda, Catalan Government.</i></p> <p>Cocktail Reception: <i>Historic University Garden</i></p>
Room 2	1.4. Urban life management	1.3. Risks and hazards: their perception and management		
Room 3	2.1.1. Restoration	2.8. Safety. Lighting, Dark, Insecurity		
Room 4	2.4.1. Collectives	2.13.1 Social Aspects		
Room 5	2.6.1. Sensoriality	2.17. Health		
Room 6	3.1. Citizenship, social movements and environmental activism	3.2. Collective action, environmental volunteering and education		
Room 7	4.1. Gentrification, touristification and urban transformations	4.3. Power, politics, and people-place relations		
Room 8	4.2. Gender and place	5.2. Cycling & Walkability		
Room 9	5.3. Modal choice & sustainable mobility	6.1. Representation and Social Construction of Realities		
Room 10	6.2. Sources of information, credibility and communication management			

“Enacting Transdisciplinary Knowledge: People, Places, Movements and Sustainabilities”

First provisional GENERAL TIMETABLE

WEDNESDAY 3TH JULY				
Plenary Session 2: “Place attachment in a virtual time. Effect on ecological behavior” by Prof. Setha Low, Anthropologist. Public Space Research Group at The Graduate Center, City University of New York (CUNY) (12:30h)				
	9:00-10:30	11:00-12:30	14:30-16:00	16:30-18:00
Location	PARALLEL PAPER SESSIONS	SYMPOSIUMS	PARALLEL PAPER SESSIONS	SPECIAL CALLS
Room 1	1.1. Sustainable lifestyles and green economy	S0.1. History of Environmental Psychology	1.1. Sustainable lifestyles and green economy	SC1.1. Tactical urban planning experiences - Streets Pacification
Room 2	1.2. Resource crises and environmental research	S1.1. Understanding everyday circularity behaviours and contextual change	1.3. Risks and hazards: their perception and management	SC2.1. Conditionings of Urban Renovation - Climate Shelters
Room 3	1.3. Risks and hazards: their perception and management	S1.3. Sustainable future: the role and perspectives of agribusiness supply-chain actors	2.4. Safety	SC3. Country-City Migrations. Experiences from Russia to the Global South.
Room 4	1.4. Urban life management	S1.5. Sustainable lifestyles, biodiversity and health	2.11.1. Greening the city	SC6. Risks on the coasts. Actions and Prevention Programs
Room 5	2.1.2. Restoration	S2.1. Restorative environments (REN I)	2.13.1. Social Aspects	SC7. Architect-client relationship. Post Occupancy Evaluation
Room 6	2.10. Biophilia	S2.3. Green infrastructure and urban greening: the intersection of ecological benefits, social impacts, governance and environmental justice	3.4. Justice, social equity, local knowledge and transdisciplinarity in environmental decision-making	SC12. Energetic Transition
Room 7	2.13.2 Social Aspects	S2.5. Psychological benefits of positive soundscapes	4.4. Place-based inclusion and exclusion.	
Room 8	3.3. Environmental Education and civic engagement	S2.9. Enhancing Indoor Environmental Quality in Middle Eastern Workplaces: A Comparative Study Using the WELL Building Standard as an Interpretive Framework	4.9. Life in public spaces	
Room 9	4.5. Methods and empirical approaches to place	S3.1. Fostering socially innovative & empowered energy transitions to sustainability	6.3. Uncertainties of science, ecoanxiety and solastalgia	
Room 10	5.1. Wayfinding and accessibility	S4.1. Place dispossession: micropolitical approaches to spatial injustice in neoliberal times.		
Room 11		S5.1. Topic 5: Mobility, habits and needs		
Room 12		S6.1. Topic 6: Information, communication, and construction of realities		

“Enacting Transdisciplinary Knowledge: People, Places, Movements and Sustainabilities”

First provisional GENERAL TIMETABLE

THURSDAY 4TH JULY				
Plenary Session 3: “Strolling, Flexibility, Co-Construction, and Diversity: The Shift in Public Space Construction in Contemporary Chinese Urban Growth” by Prof. Si-Min Bian, Architect. School of Landscape Architecture, Beijing Forestry University, China (12:30h)				
	9:00-10:30	11:00-12:30	14:30-16:00	16:30-18:00
Location	PARALLEL PAPER SESSIONS	SYMPOSIUMS	PARALLEL PAPER SESSIONS	SPECIAL CALLS
Room 1	1.1 Sustainable lifestyles and green economy	S0.2. People-Environment studies. An epistemological approach-debate	1.1. Sustainable lifestyles and green economy	SC1.2. Tactical urban planning experiences - Superblocks
Room 2	1.3 Risks and hazards: their perception and management	S1.2. Contextual drivers for sustainable behaviors: Social-psychological research and interventions to promote sustainability	1.3. Risks and hazards: their perception and management	SC2.2. Conditionings of Urban Renovation - Neighborhood Environmental Regeneration
Room 3	2.1.1. RESTORATION	S1.4. International and global research for sustainability transitions: a cross-disciplinary approach.	2.9. Mobility	SC4. Mechanisms and strategies for involving people. Awareness-Community-Volunteering
Room 4	2.11.2. Greening the city	S1.6. Psychological well-being in the local landscape of changing climate and biodiversity	2.13.4 Social Aspects	SC5. Virtual reality and Environment
Room 5	2.13.3. Social Aspects	S2.2. Research from the Restorative Environments Network: the role of gender, race, and other person-factors (REN II)	2.18. Future	SC9. Health and Nature
Room 6	3.5 environmental justice in residential areas, green spaces and renewable energy issues	S2.4. Big City Life: a multi-disciplinary lens to investigate people-place relationships in urban contexts	3.7. Co-design, participatory research, and well-being	SC11. Workplace-Environment-Burnout
Room 7	3.6 participatory design and improvement of buildings with children	S2.6. “Exploring Virtual Realms: Unveiling Socio-environmental Dynamics in the Digital Era”.	4.7. Place attachment and place identity.	
Room 8	4.6 Energy transitions and place connections	S2.8. The transitions of cities	4.8. Nature and environmental processes	
Room 9	5.4 Leisure and tourism behavior	S2.10. Indoor and Outdoor School Environment Impact on Students’ Cognition, Affect, Socialization, and Well-Being		
Room 10	6.5 New technologies communication, virtual spaces & AI	S3.2. Energy Transition Topic 3: Participation, citizenship and environmental justice Sustainability and social innovation		
Room 11		S4.2. Environmental Psychology and Ethical-Political Suffering: Struggles for Territory in Latin America		
Room 12		S4.4. Overcoming physical, social and psychological barriers to enhanced engagement with urban nature: Experiences from the GoGreenRoutes Project		
Room 13		S6.1. Topic 6: Information, communication, and construction of realities		

“Enacting Transdisciplinary Knowledge: People, Places, Movements and Sustainabilities”

First provisional GENERAL TIMETABLE

FRIDAY 5TH JULY				
<p>Plenary Session 4: “Critical visions for a positive – Actions” by <i>Antonio Turiel, Physicist. Institute of Marine Sciences-CSIC, Barcelona (11:00h)</i></p> <p>Plenary Session 5: “Mobility and Local Governance: Addressing Climate Change Challenges” by <i>Tim Cresswell, Geographer. University of Edinburgh (17:00h)</i></p>				
	9:00-10:30	11:00-13:30		17:00-19:00
Location	PARALLEL PAPER SESSIONS	PLENARY SESSION	CLOSING CEREMONY	City center
Room 1	1.2. Resource crises and environmental research	<p>11:00 Plenary Session 4: “Critical visions for a positive – Actions” by <i>Antonio Turiel, Institute of Marine Sciences - The Spanish National Research Council (CSIC), Barcelona</i></p> <p>12:00 IAPS Annual General Meeting</p> <p>13:00 IAPS Hall of Fame</p>		<p>Welcome address: <i>Mayor of the City, Mr. Collboni</i></p> <p>Plenary Session 5: Closing keynote: “Mobility and Local Governance: Addressing Climate Change Challenges” by <i>Tim Cresswell, University of Edinburgh</i></p> <p>Evaluation and Implications of Conference Contributions: 1. Adina Dimitru, IAPS President, Members of the Organizing and Scientific Committees 2. Representatives from Club of Rome, Greenpeace, and other supporting organizations or companies</p> <p>Closing the Conference: <i>Teresa Ribera, Minister of Environment, Spanish Government</i></p> <p>Farewell and next IAPS Conference: <i>Enric Pol, Angela Castrechini, Adina Dimitru</i></p>
Room 2	1.3. Risks and hazards: their perception and management			
Room 3	1.4. Urban life management			
Room 4	1.5. Decarbonization			
Room 5	2.4.1. Collectives			
Room 6	2.6.2. Sensoriality			
Room 7	2.19. Using Environment			
Room 8	3.8. Participatory approaches, risk management and environmental decision-making			
Room 9	4.10. Meanings of place			
Room 10	4.11. Reshaping places
